Did you read more? Use a separate piece of paper for additional titles.

Memorial and the Townsend Public Library in conjunction with the Massachusetts Library Association are pleased to join together to present this list of suggested summer reading titles for students entering third grade.

These suggested titles and authors are meant to be used as a guide for parents. Students may read **any** book of their choice. Students may record their reading times using a paper book log or on-line at [www.townsendlibrary.org](http://www.townsendlibrary.org).

Check out these websites for more book recommendations:

In addition to receiving summer reading prizes from the public library, students will also be able to attend a celebration at school. In September, bring your reading log to school so that you can be recognized for your efforts.
